WHY RESPONSIVE CLASSROOM?

Mrs. Sally Bullard - Former Classroom Teacher, Reading Specialist, and Administrator Extraordinaire

Sally Bullard spent 45 years in public and private education in Illinois before retiring last July. She enjoyed a variety of roles as a reading specialist, a classroom teacher in kindergarten through grade 6, and an administrator. Most importantly, she is the mother of Katie O'Connor, a fifth-grade assistant at Crowne Pointe Academy, who has also discovered teaching is her passion. Her grandchildren, Chloe and Luke O'Connor, are lucky students in third and first grade at CPA. Katie's sister and a brother each have two children, adding to the fun of being "Nana".
