

# REVOLUTION NEWS

## Celebrate!

The end of the school year is coming quickly and what a **wonderful** year it was! We were happy to welcome 17 new items to our menu, we employed over 60 drivers, servers, and production members, and served approximately 2 million meals this school year in Denver alone!

All of us at Revolution Foods would like to say thank you for an amazing year! **Together** we are truly feeding good!

Cheers!

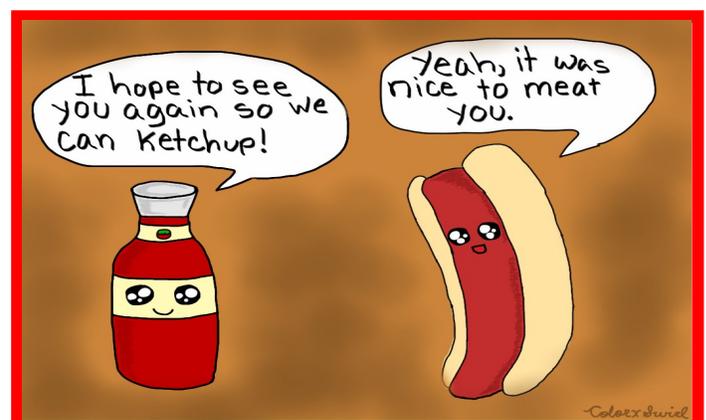

## New Meal Highlights!

## Join our team!

Igniting a healthy food revolution— it's a big job. Want to be a part of our revolution? If you think you've got what it takes, we're always looking for talented people to join our team.

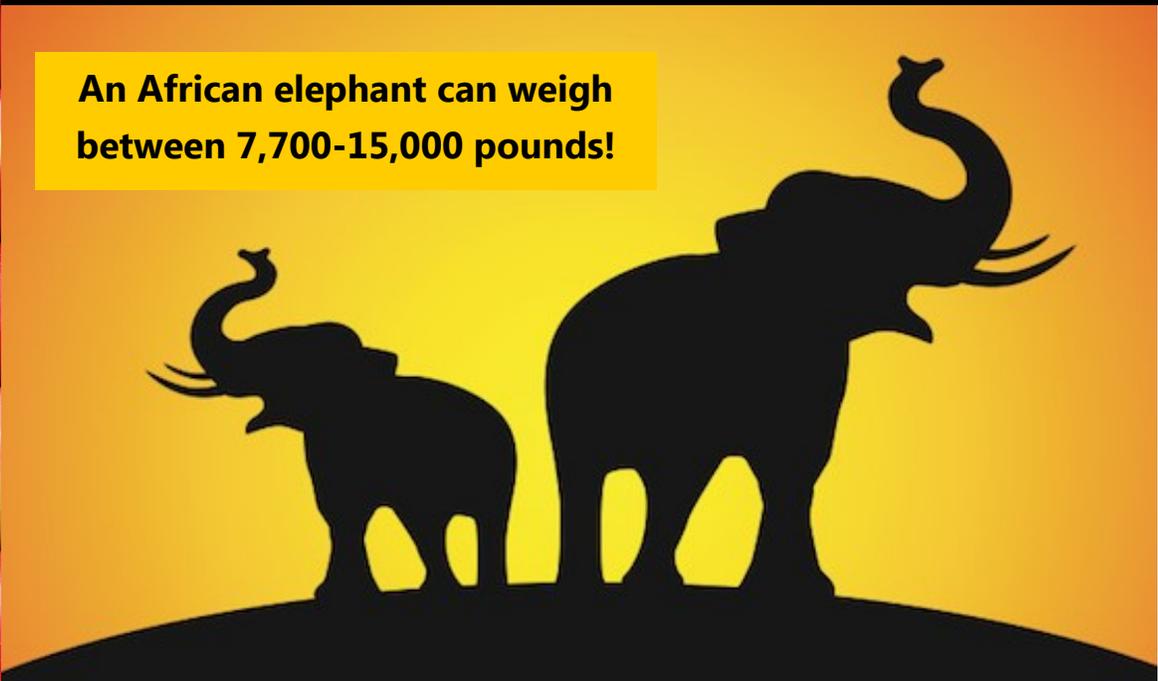

Visit [revolutionfoods.com](http://revolutionfoods.com) to view available positions- we look forward to hearing from you!

**Revolution Food Facts: This year, Rev Foods served 15.2 million apples, weighing more than 4 million pounds— that’s about how much 330 huge African elephants weigh!**

**An African elephant can weigh between 7,700-15,000 pounds!**

**Employee Spotlight**

Passang Sherpa

**Production Lead**

**What he does for Rev Foods:** Passang

is the brains of the kitchen—he keeps the food organized to make sure it gets to our schools in the most efficient way possible!

**Hometown:** Bhutan

**Favorite Food:** Pancakes

**Favorite Exercise:** Playing table tennis

**Random Fact:** He plays the flute and used to be a math teacher in Nepal!

**Favorite Quotation:** “Music can strike fire from the man and tears from the eyes of the woman.” -*Beethoven*

**Herb of the Month:**

*Cilantro*

- \* It is both an herb (cilantro) and a spice (coriander).
- \* Cilantro is thought to have originated in the Mediterranean region of Europe.
- \* It has been used for at least 5000 years in cooking.
- \* Seeds were found in ancient Egyptian tombs.
- \* Cilantro was brought into Mexico by the conquistadors in the 1500s
