APRIL 2017

## Spring Forward, Fall Back

As the school year comes to a close, we wanted to take a moment to reflect while honoring your contributions. Thank you for choosing to invest in your students' health, knowing that better nutrition supports a brighter future. The Revolution Foods chefs are committed to creating new meals that surprise and delight your students, but we know how hard fought every bite of something new can be! We can't thank you enough for your support.

NEW FOR LUNCH!

# cheese pizza

There's something about our new cheese pizza we just can't put our finger on. Maybe it's the taste of real, cheesy mozzarella. Or the soft, chewy crust. Or the oh-so-edgy shape. Whatever it is, we know we love it, and think you will too!

## did you know?

Our pizza is topped with real mozzarella cheese, a food that contains calcium. Calcium is important for bone health at all ages, but particularly for teens!

NEW FOR LUNCH!

# classic chicken parm pasta

Mmm Mmm Melty! Whole grain breaded chicken bites served on a bed of corkscrew rotini pasta tossed in our tomato marinara sauce and topped with mozzarella cheese. (A milder version of our “kickin” parm pasta.)
