

**Record your Commitment Hours from the
convenience of your home computer!**

The Commitment Committee is happy to announce the roll out of the PTO Manager software. This system will allow you record all of your Commitment Hours from home. If you would like to sign up for this program, please provide us with your name and email address. We will get you set up with the system, and it will send you an email to confirm your registration and give you step by step instructions to create a login and start recording your hours.

If you do not wish to participate, we will still accept your monthly Commitment Hours forms.

Please contact Ms. Selleck with questions.
