---

Crown Pointe Academy will be in accordance with state and federal law, and the Charter Authorizer shall provide age appropriate, developmentally-based drug and alcohol education and prevention programs.

The drug and alcohol education program shall address the legal, social and health consequences of drug and alcohol use. It shall include special instruction as to the effects upon the human system, the emotional, psychological and social dangers of such use with emphasis on non-use by school-age children, and the illegal aspects of such use. The program also shall include information about effective techniques for resisting peer pressure to use illicit drugs or alcohol.

The curriculum, instructional materials and strategies used in this program shall be recommended by the Director and approved by the Academy Board.

To the extent funds are available, each school is encouraged to operate and maintain an educational program to assist students in avoiding and discontinuing use of tobacco. It is permissible to use tobacco on school property in classroom demonstrations to show the health hazards of tobacco.
