Minis are big time fun in small places. 2 ½ times smaller than regular Speed Stacks. But don't let their small size fool you - they will test your stacking skills and provide a fine motor skills challenge.

1. Bring cash or a check (made payable to your school) to your instructor and get your sport stacking gear on the spot. No waiting or paying for shipping.
2. Choose the gear you want. Keep in mind your instructor has limited quantities of each color and it's on a **first come first serve basis**.

*Some colors or products may not be available at your school.
