

CROWN POINTE ACADEMY NEEDS YOU!

The CPA Board is forming a Strategic Planning Committee. The purpose of this Committee is to ensure that the CPA we all love continues to meet its mission, which is to “Promote creativity, curiosity, character and community in a challenging Core Knowledge environment.” In a time when school funding, teacher recruitment and retention, and test standards and curriculum are ever changing, it is imperative that CPA retain the high standards that our families and children have come to expect.

To that end, the Committee will be tasked with researching and reporting on topics that the Academy Board and the Committee agree would promote the sustained excellence of CPA and its mission. Some of the topics for discussion include: the calendar (4 vs. 5 day-week), flexibility in scheduling, teacher recruitment and retention, refinancing options, expansion/replication, enrichment programs, after school programs, and volunteerism.

The Strategic Planning Committee will likely meet once per month, and require email correspondence more than once per month. If you have an interest in being on the Committee, and are willing to commit 5-10 hours per month of your time, please fill out the information below, and return it to the CPA front counter by February 14, 2018. Thank you!
