## Social Studies with Mrs. Hughes

Bonnie.hughes@crownpointeacademy.org x514

We made it to the last week of school! It has been my privilege to teach each of you this year. While there have been some struggles this year that have been greater than other years I am hoping that everyone, including myself, has learned and is growing through these opportunities. We have also had some great opportunities and experiences this year and that is why I love what I do.

6th and 7th grade students, I hope you come back in the fall ready to learn and with the hope of a new year beginning. 8th grade students, as you embark on this next adventure in your life, I hope that you will take every opportunity to learn, make amazing friends, make wise decisions and small mistakes. You have one of the best times of your life ahead of you if you make it that. High school can be awesome in so many ways!

I hope that you enjoy your summer break and get lots of relaxation and sunshine. I will look forward to seeing you all in the fall.

## Language Arts with Ms. Durfee & Mrs. Murphy

[Val.durfee@crownpointeacademy.org](mailto:Val.durfee@crownpointeacademy.org) x511  
[Sandra.Murphy@crownpointeacademy.org](mailto:Sandra.Murphy@crownpointeacademy.org) x 513

### From Mrs. Murphy:

6th Grade Literature: With finals over on Monday, our remaining days together will be spent reflecting on the year, previewing ideas for summer reading, and sharing our thoughts about our Book Club books with each other. Have a wonderful summer!

7th Grade Literature: With finals over on Monday, we will spend the last few days of class applying themes from *Cyrano* into real life and possibly a creative writing activity the show what we have learned about the characters. Have a wonderful summer!

8th Grade Writing: You did it! Essays are in, grades are done, and now we get to reflect over what we have learned this year! Our last few days together will include 6 word memoirs - where students think about encompassing their life into 6 words. I wish you all the best of luck next year!

### From Ms. Durfee:

For those who don't already know, I will not be returning to Crown Pointe in the fall. I've loved my time here and deeply regret that I won't be continuing to help your 6th and 7th graders see themselves as writers and your 8th graders discover themselves and learn empathy for others through literature. I wish you all the best!

6th: Last week our final was publishing our short stories. I am very excited to read the stories the students have worked so hard on crafting! On Friday 6th grade wrote thank-you notes to adults in the building who have touched their lives this year.

This week we will wrap up writing with activities that look to the future and say goodbye to 6th grade, culminating in our outing to Big Time on Thursday!

7th: Last week the 7th grade writing final was publishing a persuasive letter that we will be sending out on Monday. On Monday the students will also receive peer evaluation sheets as homework that will be due Tuesday. My hope is that being able to take their time and fill these out privately will help students be honest about their team members' participation in the group work. Student scores on the final will be prorated be based on their peers' assessment of whether they participated equally. If you have any questions about this, please feel free to contact me.

This week we will wrap up writing by doing some activities that reflect on the students' 7th grade year and look to the future before our big trip to Big Time on Thursday!

8th: Eighth grade's final assessment was a 1-Pager on a creation or flood myth. In their last 2 days of middle school, we will be making memory books of their middle school years.

I'm looking forward to seeing you all at continuation on Tuesday evening!
