## How Do I Know What Homework My Student Has Tonight?

### Literature, Writing, Science, Social Studies, and Math:

- Daily homework assignments will be added to the Google Classroom by **the end of every day**.
- Teachers will also add an announcement if there is NO homework that night.
- You must have access to your student's Google Classroom account, or you must request access to the teacher's Google Classroom. If you need your student's Google Classroom login information, please contact Erin Keyes at [erin.keyes@crownpointeacademy.org](mailto:erin.keyes@crownpointeacademy.org).

## How Can I Use Infinite Campus to Understand My Student's Grades?

- If you need access to the Infinite Campus Parent Portal, please contact the front office.
- In order to view your student's grades, please click on the Grades module. This will give you a view of your student's overall grades in each class.
- To get a more detailed view of a class, please click on the individual class to see assignments and grades earned.
- When teachers collect assignments that have not been graded, teachers will put in a score of either **T (Turned In) or M (Missing)**. That way you know if your student has missing assignments. A score of T does not affect your student's grade; a score of M counts as a 0 and will negatively impact your student's grade.
- If you have questions about individual assignments, please contact the teacher directly.
- Teachers will update Infinite Campus each week by Tuesday mornings at 8:00 a.m., so parents can see the most current grades at that time. See below for how long students have to turn in an assignment for credit.

## My Student has a Missing Assignment. How Long Does He/She Have to Turn It In for Partial Credit?

- Students will have **at least one week** to turn in a missing assignment for credit. The amount of credit lost is determined by how late the assignment is. If an assignment is one day late, students can earn up to 80% credit. If an assignment is two days late, students can earn up to 60% credit. Assignments turned in three or more days late will be given 40% credit.
- Students will have one additional week to turn in any assignment recorded as missing from the Tuesday after the assignment is posted. For example:
  - An assignment is due on Thursday, August 16th
  - If a student turns the assignment in on Friday, August 17th, he/she will receive 80% of the points earned, so if the assignment is worth 20 points and a student gets two questions wrong for a score of 18 points, they will get 80% credit for that 18 points, i.e., 14.4 points rounded to 14.
  - If a student turns in the assignment on Monday, August 20th, the highest possible grade is 60%, or 10.8 points (rounded up to 11). If turned in on Tuesday, August 21st or later, the maximum possible grade is a 40%.
- The teachers update their grades by Tuesday morning on August 21st, and you notice that your student has a missing assignment. Your student will now have until the **FOLLOWING Monday, August 27th** to turn in the assignment at the 40% credit of the points earned level.
- **In this example, the student had 8 school days** to turn the assignment in for partial credit. Once grades post that following Tuesday however, the assignment will not be accepted and the student will receive a 0.
- Please contact any teacher if you have questions about the late work policy.

**Thank you for your continued support of your middle school student!**  
**Please let us know if you have any questions.**

7th grade: This quarter will have mini units going over the interconnections between human body systems. We will be grouping 2-3 systems in each test and our labs will be doing dissections during a few of our Lab Mondays. This week, we will wrap up our mini unit on metabolism with our systems test on Friday.

Lab Mondays: Please help your child remember to have long pants, short sleeves and a hair tie (if hair is long enough to fall forward it needs to be tied back) for labs on Monday. There will not be a lab on weeks where we do not have school on Monday. If anyone is interested in volunteering on Fridays to help set up the labs your help is greatly appreciated.

## Social Studies with Mrs. Hughes

Bonnie.hughes@crownpointeacademy.org x514

**Presidents Day!** Initially celebrated on George Washington's birthday, Presidents Day is actually recognized as one of a few other holidays to give workers an extra three-day weekend during the year. I hope you were able to do something fun with your family and enjoy a little extra time. We all need the break every now and then.

**History Day (NHD):** We would like to meet with all of our Showcase finalists (see last week's newsletter for a list) on Thursday, February 14 for a meeting immediately after dismissal for one hour. This is when we will begin to really prepare for our Regional competition so it is important that students be there if possible. If not, we need to set up a time to meet with them this week.

Important dates:

- February 22, 2:00-3:00 - Writers Workshop - for paper finalists
- March 6 (time TBD) - Arvada Center Digital Lab - for documentary finalists
- Charter School Regional Competition - March 9th - at Crown Pointe Academy.

**Magazines:** We are still collecting magazines like National Geographic, Time, Smithsonian, Newsweek, etc. Please feel free to send them in throughout the year.

**6th Grade: *Beginning of Civilization*** This week we will be looking at the Aztec, Inca, and other North American cultures.

**7th Grade: *Judaism and the Jewish People and Christianity*** We are going to finish our look at Judaism and begin Christianity. Due to the nature of these lessons I won't be giving a final assessment per se but we will be having more discussions and students will be evaluated on their contributions to the class. I will be teaching your students about the history, beliefs, and other important information of this religion especially where it concerns the impact it has had on the world. We will be watching *Fiddler on the Roof* during this time as well.

**8th Grade: *The Revolutionary Era*** This week we will be looking at the Revolutionary Era and possibly begin looking at the Constitution. We will be bringing in a guest speaker to speak to the students about life in the colonies during the Revolutionary Era and how the Revolution was won.

### Continuation Information

Tuesday, March 19 at 5:00 will be our next Continuation meeting for parents after school. If you have pictures to submit for the memory book/slide show please email them to [cpa8pics@crownpointeacademy.org](mailto:cpa8pics@crownpointeacademy.org). We have extended the deadline for pictures to Friday, February 22. PLEASE GET THEM IN ASAP! The dress code for Continuation is on Google Classroom. Please make sure you adhere to it so as to avoid any awkward situations.

### Weighted Grades

I do weight my grades for academic classes as follows:

- Major grades = 60%
- Tests, projects, presentations, community service and other major assignments
  - Minor grades = 40%
- Quizzes, homework, classwork, notes, participation, and other daily or minor assignments

This does make it so that you can't add up their total number of points and divide it by the total points possible and calculate a correct grade. Please email me if you have any questions.
