How Do I Know What Homework My Student Has Tonight?

Literature, Writing, Science, Social Studies, and Math:

- Daily homework assignments will be added to the Google Classroom by **the end of every day**.
- Teachers will also add an announcement if there is NO homework that night.
- You must have access to your student's Google Classroom account, or you must request access to the teacher's Google Classroom. If you need your student's Google Classroom login information, please contact Erin Keyes at erin.keyes@crownpointeacademy.org.

How Can I Use Infinite Campus to Understand My Student's Grades?

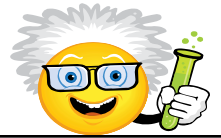

- If you need access to the Infinite Campus Parent Portal, please contact the front office.
- In order to view your student's grades, please click on the Grades module. This will give you a view of your student's overall grades in each class.
- To get a more detailed view of a class, please click on the individual class to see assignments and grades earned.
- When teachers collect assignments that have not been graded, teachers will put in a score of either **T (Turned In) or M (Missing)**. That way you know if your student has missing assignments. A score of T does not affect your student's grade; a score of M counts as a 0 and will negatively impact your student's grade.
- If you have questions about individual assignments, please contact the teacher directly.
- Teachers will update Infinite Campus each week by Tuesday mornings at 8:00 a.m., so parents can see the most current grades at that time. See below for how long students have to turn in an assignment for credit.

My Student has a Missing Assignment. How Long Does He/She Have to Turn It In for Partial Credit?

- Students will have **at least one week** to turn in a missing assignment for credit. The amount of credit lost is determined by how late the assignment is. If an assignment is one day late, students can earn up to 80% credit. If an assignment is two days late, students can earn up to 60% credit. Assignments turned in three or more days late will be given 40% credit.
- Students will have one additional week to turn in any assignment recorded as missing from the Tuesday after the assignment is posted. For example:
 - An assignment is due on Thursday, August 16th
 - If a student turns the assignment in on Friday, August 17th, he/she will receive 80% of the points earned, so if the assignment is worth 20 points and a student gets two questions wrong for a score of 18 points, they will get 80% credit for that 18 points, i.e., 14.4 points rounded to 14.
 - If a student turns in the assignment on Monday, August 20th, the highest possible grade is 60%, or 10.8 points (rounded up to 11). If turned in on Tuesday, August 21st or later, the maximum possible grade is a 40%.
- The teachers update their grades by Tuesday morning on August 21st, and you notice that your student has a missing assignment. Your student will now have until the **FOLLOWING Monday, August 27th** to turn in the assignment at the 40% credit of the points earned level.
- **In this example, the student had 8 school days** to turn the assignment in for partial credit. Once grades post that following Tuesday however, the assignment will not be accepted and the student will receive a 0.
- Please contact any teacher if you have questions about the late work policy.

Thank you for your continued support of your middle school student!
Please let us know if you have any questions.

Science with Mrs. Roe

All classes: Assignments will be put on the Google Classroom. Grade information will be available on Infinite Campus this week. Tuesday mornings will be the most up to date grade by 8am.

Semester 2 Projects:

8th grade– Congratulations to Itzel Ochoa Polvon, Alex Trejo, Ben Worley, Louis Padilla, and Josias Martinez! Their roller coasters will be competing at Elitches on May 16th!

6th grade: We will continue our chemistry unit. The final for 6th grade is May 23rd. Galileo testing will be on Monday, May 13th.

7th grade: We are beginning the geological time and plate tectonics unit. The final for 7th grade is May 23rd. Galileo testing will be on Monday, May 13th.

8th grade: This week, we will wrap up our unit on astronomy. We will be designing our shuttles for the egg drop on Friday. Students should bring recycled materials to class on Friday. Galileo testing will be on Wednesday, May 15th.

Grades for science are weighted:

15% Homework and Practice

35% Unit Tests

25% Semester Projects (Science Fair-Fall, Grade Specific-Spring)

25% Interactive Notebook and Textbook Checks

Lab Mondays: Please help your child remember to have long pants, short sleeves and a hair tie (if hair is long enough to fall forward if they lean forward it needs to be tied back) for labs on Monday. There will not be a lab on weeks where we do not have school on Monday. If anyone is interested in volunteering on Fridays to help set up the labs your help is greatly appreciated.

Important Dates for Middle School Students!

May 17th: Middle School Softball Games

May 20th: Awards Assembly

May 21st: 8th Grade Continuation Ceremony

May 23rd: Last Day of School for 6th and 7th Graders

Social Studies with Mrs. Hughes
Bonnie.hughes@crownpointeacademy.org x514

Important Upcoming Information! While Mrs. Hughes is out, Mr. A. will be filling in as the sub. During the 12 days he is here, you will be able to reach Mr. A at middleschool-sub@crownpointeacademy.org. All work completed while Mr. A. is teaching needs to be turned in by 5/10. No work from the time while he is here will be accepted after Friday, 5/10. Community Service hours are due on 5/10 however I will be inputting them on 5/13 so make sure you complete them.

6th Grade:

Students are working in small groups to complete a report on an assigned country. Students will be presenting their research on Wednesday, Thursday, or Friday this week.

7th Grade:

Students have been learning about early European history, specifically the Middle Ages.

8th Grade:

Students have been studying World War II, and in pairs, students have been researching the Holocaust and different concentration camps throughout Europe during the time period. Students will present their research in class on Wednesday, Thursday, or Friday this week.

Weighted Grades

I do weight my grades for academic classes as follows:

- Major grades = 60%
- Tests, projects, presentations, community service and other major assignments
- Minor grades = 40%
- Quizzes, homework, classwork, notes, participation, and other daily or minor assignments

This does make it so that you can't add up their total number of points and divide it by the total points possible and calculate a correct grade. Please email me if you have any questions.

6th and 7th Writing, 8th Literature with Mr. Scott

Jay.scott@crownpointeacademy.org

I hope everyone had a fantastic weekend! This is week in language arts:

6th grade will continue reading A Wrinkle in Time.

7th grade will continue reading The Diary of Anne Frank.

8th grade will continue reading The Book Thief.

Let me know if you have any questions!

“A teacher affects eternity; he can never tell where his influence stops.”—Henry Brooks Adams

Monday -- All grades will work on a teacher appreciation project. Being appreciative is the focus this week.

Tuesday -- All grades will have a study hall day.

Wednesday and Thursday, and Friday (6th Grade) --. 6th grade will continue with the teacher appreciation project.

Wednesday (7th and 8th Grade) -- 3rd grade mentorship program.

Thursday and Friday (7th Grade) - 7th grade is reading Wonder by R.J. Palacio.

Thursday and Friday (8th Grade) - 8th grade is reading Speak by Laurie Halse Anderson. Parents were sent a permission slip for this book.

Foundations for Life:

All Classes:

We were able to bake chocolate waffle cookies and also Omelets. Students are learning how to clean up after themselves and work together. It smelled great in the kitchen. This week we will be making spaghetti and sauce from scratch.

I had quite a few students ask me about recipes, I have put them up on Google Classroom.

If there are any food sensitivities I need to know about, please email at julie.southern@crownpointeacademy.org and I will do my best to accommodate the needs.

6th and 7th Literature, 8th Writing with Ms. Laxton

[Meghan.laxton@crownpointeacademy.org](mailto:meghan.laxton@crownpointeacademy.org) x513

I hope that everyone had a great weekend!

6th Grade: Progress reports are being sent home today with all students. Please contact meghan.laxton@crownpointeacademy.org regarding any assignments before April 22nd. Contact julie.southern@crownpointeacademy.org for any assignments between April 22nd and the end of the year. You will see that Mrs. Southern has entered in the assignments with the due dates relating to the book study/small book clubs and final. These will be the last assignments that are anticipated to be in the grade book before the end of the school year. Please note that a BLANK grade does not mean a missing grade. All missing grades appear with an M in IC. Students seem to be enjoying the small groups. Remember that all students must keep up with the reading in class, and if they are necessary, they may make arrangements to come in at 7:30 am to read before school starts as there are no extra copies to check out.

7th grade will read Act III of the play *The Miracle Worker*. They will focus on the effectiveness of flashbacks and foreshadowing in storytelling. The text of this play, along with all literary terms, will be on the literature final.

8th grade will have four day in class this week to work on their writing final, which was posted on the Google Classroom. It is due on Monday, May 13th.

Have a great week, and contact me with any questions!

Math with Mrs. Davis and Mr. MacGregor

Typhany.davis@crownpointeacademy.org x512

Matt.MacGregor@crownpointeacademy.org x510

This week students will be completing their final Galileo tests of the year. We will be using this final test as our end of the year assessment in all grade levels. Students will be graded on both score and growth made throughout the year. We will have one-on-one meetings with each student to ensure that they understand their current score, growth, and the grading rubric. The math Galileo test will take place Tuesday and Wednesday of this week.

Additionally, all students will have a final project that will be due the last day of school. Students will receive information about their project this Friday and will have every day of class until the final day of school to work in class on their projects.

6th grade- Students will be working on our final unit of the year, **Statistics**. We have begun looking at the Measures of Center and will conclude this unit with Measures of Variation. Students will finish this very short unit this Friday.

7th grade- Students will be working on our final unit of the year, **Statistics**. We have begun looking at the Measures of Center and will conclude this unit with Measures of Variation. Students will finish this very short unit this Friday.

8th grade- Students in 8th grade will have a final 8th grade review day today in preparation for the end of the year final. Students will then begin working on their end of year project this Thursday.

Algebra- Students in Algebra will continue working with **Quadratics**. We will progress to solving them this week by completing the square.

Community Service Grading

- 2.5 new hours each quarter in addition to the hours required the quarter before
- To receive a 100%, students should have a total of 2.5 hours at the end of 1st quarter, 5 hours at the end of 2nd quarter, 7.5 hours at the end of 3rd quarter, and 10 hours at the May 11th cutoff date for 4th quarter.
- Until the previous quarter's requirements are met no new credit will be given.
- Students will receive 20 points for each **completed** half hour of service in the quarterly requirement. Additional half hours are credited to the following quarter up to the 10 hour requirement. Once the 10 hour requirement is met the student will receive a 100% for that quarter and all following quarters.
- A log (available in Mrs. Hughes' room) must be completed for each month's service and turned in to Mrs. Hughes' room.
- Partial half hours will receive no credit. Hours turned in after the quarterly deadline will be counted toward the total in the next quarter.
- Students cannot receive any compensation for those hours
- Students cannot do the work for the house they live in - exceptions must be arranged through Mrs. Hughes
- Activities like babysitting only count if it is so the parent can complete some kind of service act (serving in a soup kitchen or leading a troop of some kind, etc.) - babysitting for a date night **does not** count
