Please arrive for pick up no later than 4:15. I have obligations after my performance groups and need to leave promptly.

These groups are available to your child to provide them a performance opportunity. The performances positively affect a child's self-confidence and brain growth. Therefore, as a member of the group, your child is expected to attend the two performances. The students are accustomed to the sound of the entire group and rely on each other for success, and this can only be achieved when everyone participates in the performance. The winter performance is December 7th. (choir only) The spring concert is April 30th at 6PM. (choir and ukulele)

I understand and agree to the requirements for having my child in this extra-curricular activity.
