

CPA PTA, Diversity & Inclusion Committee Celebrates Our Native American Families!

November is Native American Heritage Month, also commonly referred to as American Indian and Alaska Native Heritage Month. Since 1995, every president has issued annual proclamations designating this month as a time to celebrate the diverse cultures, accomplishments, traditions and histories and to acknowledge the important contributions of Native people.

All month long, you can explore stories and events that show the diversity and long history of Indigenous people across the United States. Due to COVID-19 many celebratory events will likely be virtual. You might consider participating in activities such as:

- Nov. 5 at 4:30 – 6pm: NACC Bingo Night hosted by Women’s Circle and Peer Mentors– zoom link: <https://zoom.us/j/98634191705> , Meeting ID: 986 3419 1705
