

Crowne Pointe Families!

Thanks for welcoming us to your wonderful school as we've had a great time getting to know the community and the kiddos that are coming to STARS. **Please note that we offer flexible pricing and scheduling and are willing to work with you in this area if needed.**

That being said, for the moment we are going to suspend the morning program as we have no kids signed up again this week. We hope to be able to add it as soon as interest picks up again.

We understand that there is an adjustment after a year and half of no school approximately but we are here if you need us.

**Please reach out Mick Varner or Dudley Varner if you have any questions about pricing. We have several discounts available so please don't hesitate to ask if cost is a concern.**

Thank you so much for your interest and let us know how we can be more accessible to your community.
