Preventing and remedying such harassment in schools is essential to ensure a nondiscriminatory, safe environment in which students can learn, employees can work and members of the public can access and receive the benefit of the school facilities and programs. All such harassment, by school employees, students and third parties, is strictly prohibited.

All school employees and students share the responsibility to ensure that harassment does not occur at Crown Pointe Academy, on the property, at any school-sanctioned activity or event, or off school property when such conduct has a nexus to the school, or any school curricular or non-curricular activity or event.

For purposes of this policy, harassment is any unwelcome, hostile and offensive verbal, written and physical conduct based on or directed at a person's race, color, national origin, ancestry, creed, religion, sex, sexual orientation, transgender status, disability or need for special education services that:

- 1) results in physical, emotional or mental harm, or damage to property;
- 2) is so severe, persistent, or pervasive that it creates an intimidating, hostile, or threatening environment; or
- 3) substantially disrupts the orderly operation of the school. Board policy on sexual harassment will apply to complaints alleging sexual harassment.

In cases involving potential criminal conduct, the compliance officer shall determine whether appropriate law enforcement officials should be notified.

Action Following Investigation

In addition, any student or employee who engages in harassment of another student or employee who engages in harassment of another student or employee shall be disciplined according to applicable school policies. Steps shall also be taken to ensure that victims of, and witnesses to, harassment are protected from retaliation. Further, students or employees who knowingly file false harassment complaints or give false statements in an investigation shall be subject to discipline, up to and including suspension/expulsion for students and termination of employment.

No student, employee, or member of the public shall be subject to adverse treatment in retaliation for any good faith report of harassment under this policy. To the extent possible, all reports of harassment
