## Music

All about rhythm! Steady beat for Kindergarten and Rhythm Bricks for 1st-5th Grade. Ask your kid if they can clap or say the following rhythm chain for you:

## Spanish

Day of the dead  
Monarch butterfly  
Plural singular  
Numbers

## Library:

The 3rd - 5th grade classes will focus on Digital Citizenship moving forward. Media Balance and Well-Being is our topic the month. K - 2nd grade classes will continue working on listening comprehension and identifying characters and setting during storytime.

## PE

After a good first quarter of teamwork and review, we are beginning to work on fitness dance nutrition and health in K-5. Remember tennis shoes on PE days even when it's snowing! Great [Whole Foods](#) info for the family!

## EXPO

Projects are in full swing! If you have extra cardboard or caps for water bottles, Gatorades, etc please send them to the EXPO room. We are having fun building and experimenting in all grades.

## ART

November fun! Cooler weather projects - and working more on our drawing techniques.

We will be studying another famous artist in November and re-creating their works.

Kindergarten will continue to work on scissor skills as well.
